IN MEMORY OF ALLEN MOORE

The student body, faculty, and the many personal friends of Allen Moore mourned his untimely passing, at the same time admiring the courage and cheerfulness with which he awaited the end he knew was coming.

Although Allen is gone, the qualities that made the real Allen Moore will stand as an inspiration to us who knew him. His courtesy, clean habits, cheerful disposition, and friendliness toward everyone will remain a lasting memorial.

We the Annual Staff sincerely dedicate this, the 1957 edition of "Tracks," to the memory of a wonderful person, Allen Moore.

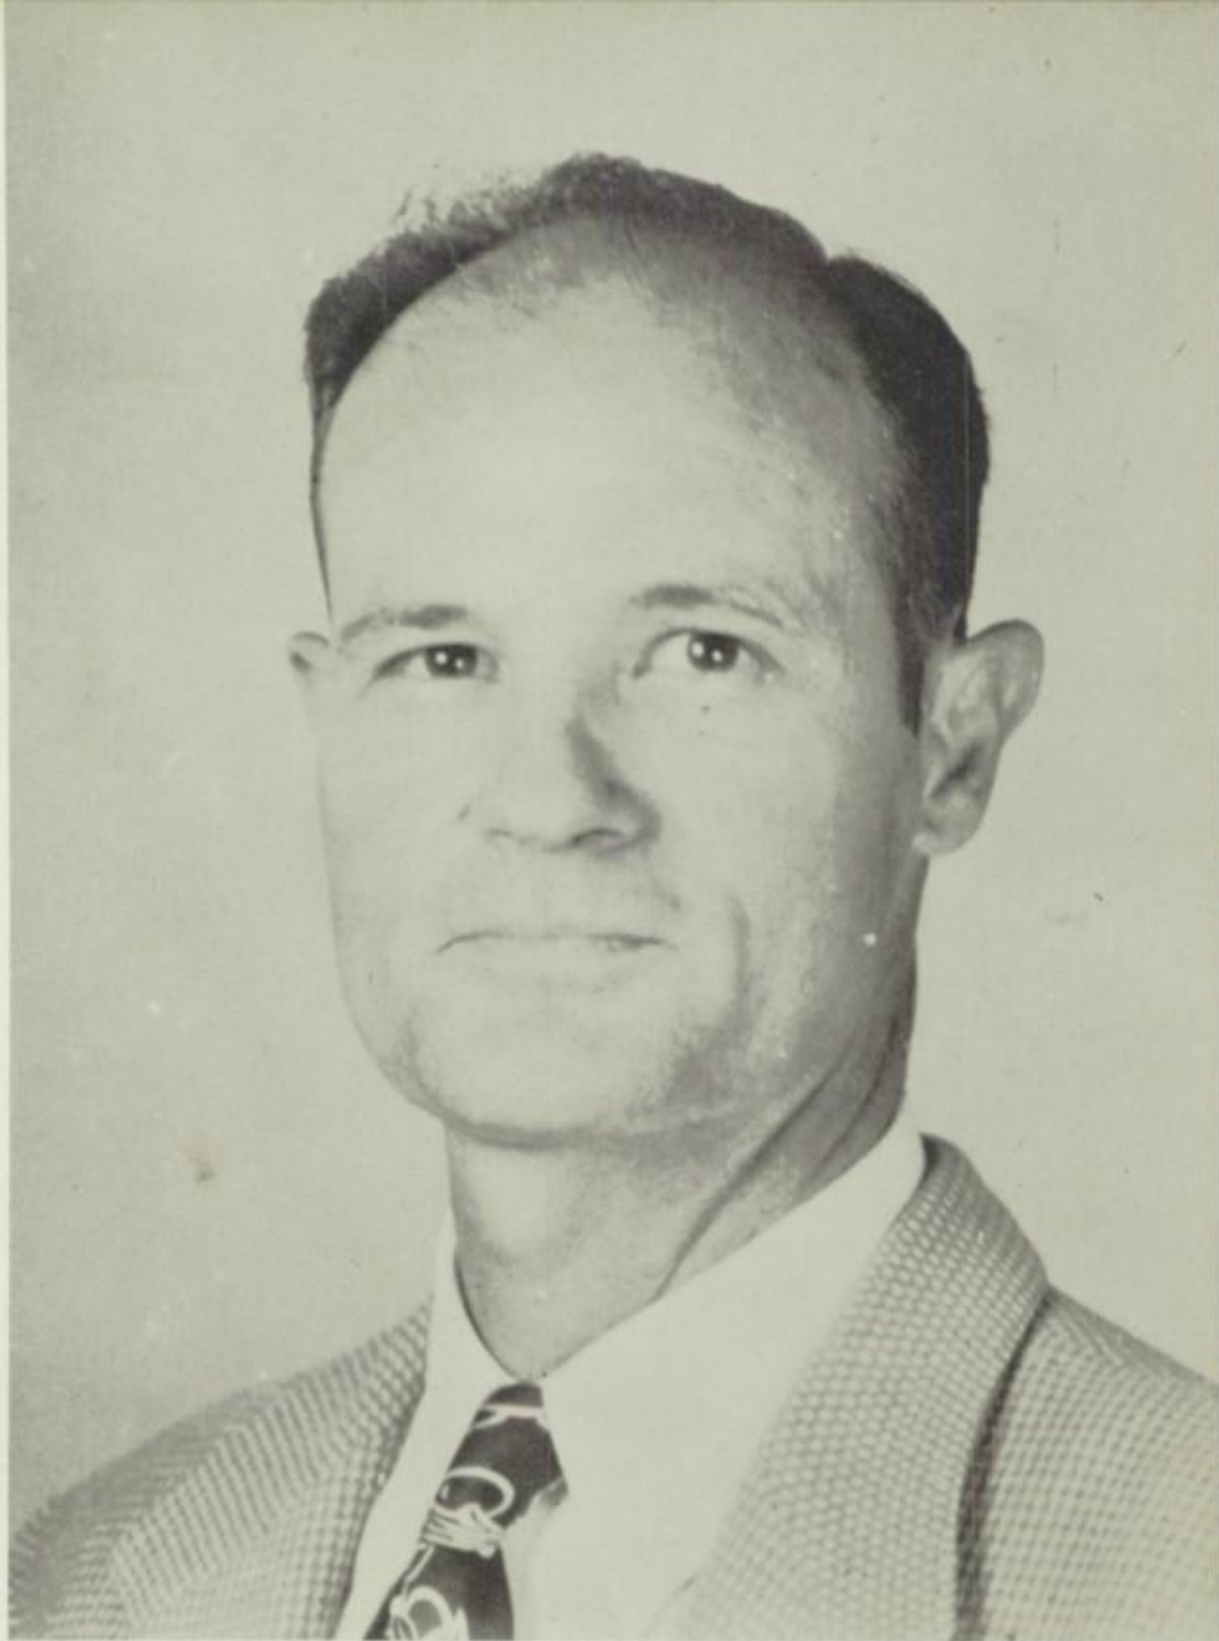

D. L. WOODSON

I am always sincerely glad of the opportunity to "speak" to you, the student body, through this medium. It is good to be able to let you know that we, "the older generation," feel that our nation will be in good hands when it comes time to lay the responsibility on your shoulders. It is our hope that we, your teachers, administrators, and friends, have been of some assistance in helping you to prepare for this responsibility. To you all - and most especially to the senior class - our sincerest good wishes for the continuance of your most cherished dreams in the future.

D. L. Woodson

W. W. COPELAND, JR.

It would seem rather a difficult task to fit a message to the theme of this year's TRACKS, since life itself is so much more than a carnival. However, if we can keep in mind the work, care, and love that must go into the making of a carnival, perhaps we can realize the enjoyment that the carnival in its entirety symbolizes. It is my earnest wish for this year's graduating class that each senior has learned and will remember to blend work, care, and love into the myriad of life's tasks so that the burdens will lighten themselves and the joys and blessings be appreciated.

The Taft Band

For the past several years the Taft Band has been an outstanding organization. This year the band has proved to be no exception to that rule. The 1956-57 band can be doubly proud of their accomplishments because they have had to make the transition from one director to another and with it learn a completely different style of marching and playing. The success of their transition was borne out at the marching contest in its class.

In addition to the marching contest, the band participated at all football games, pep rallies, and bonfires, doing its best to maintain a high degree of school spirit.

In the spring, the band will give two formal concerts and enter the concert and sight reading contest, sponsored by the U.I.L.

For a band trip this year, the band will exchange their instruments for boots and spurs, and travel to the wide open spaces of a dude ranch near Bandera.

Director - RALPH BENNETT

Choral

During the past four years the Taft High Chorus has accomplished a number of things worthy of recognition. Besides singing for such local organizations as the Rotary, Kiwanis, Taft Women's club, P.T.A., local churches, they have sung for District T.S.T.A. and District Superintendent's meeting.

Also, during the past four years the choir has most often given a Christmas program and a spring concert. They have participated in region clinics which were held at A&I College, Kingsville, and Del Mar College, and were recognized as one of the outstanding choruses of Region VII.

There have been thirteen members of the chorus who made the All-Region Chorus and five who have been a member of the All-State Chorus in Dallas. Four Members were in the All-Region Chorus during 1956-57.

The Chorus' activities in the Interscholastic League has been satisfactory. During the school year 1955-56, the Chorus experienced great satisfaction when they received a "I" rating in concert in the UIL. Also a "I" rating for the girls' sextet, boys' quartet, and the chorus accompanist (Ginger Lackey) received a "I" rating in piano solo, (Buzz White, tenor) received a "II" rating on a vocal solo. Outstanding programs were given by the boys' octet, mixed octet, and the girls' ensemble during 1955-56-57.

The Fighting Greyhounds

The 1956 season started rather slowly with the Greyhounds dropping the first three games. It brightened up considerably as the Greyhounds romped over the College Academy of Corpus, 32-7, and played Robstown, quarter-finalists in 3AAA, a close one before losing 20-12.

From this time to the end of the season injuries riddled the squad, and became more numerous as the season progressed. With key players out in every game after September 21st, the Greyhounds managed to end the district play in a tie for second place.

The all-district team included one Greyhound, Pete Elzner, a unanimous choice.

Things look a great deal brighter for the 1957 Greyhounds, as they will start the season with seventeen lettermen instead of six they had in 1956.

Basketball

The round-ball season started in Taft High School with two lettermen and a young group up from the "B" team. The season had its thrills and disappointments by beating some of the largest schools in our area. Through desire and willingness the Greyhounds won 13 and lost 11 games.

The season ended with a fine banquet given in honor of the basketball team by the men of town and a loyal group of fans.

The lettermen for the team were: Tim Wolf, Captain; Davis Turner, Captain; Kenneth Albers, Charles Parker, Warren Pustejovsky, Roy Johnson, Nicky Melton, Butch Pressley, and Jimmy Petty.

The "B" team lettermen were: Nicky Huestis, Richard Breese, Tony Bustos, Gavine Rodriguez, Durwood Beard, Jan Sides, Romero Lerma, and Bobby Nedbalek.
